President's Message

Our fall meeting was another big event for DVSA and we had Aetna again visit with us. They provided us an update on the retiree medical plan. A copy of the presentation materials is available on the DVSA.co website in the section marked "Benefits-Aetna" Lots of good information including an update of preferred pharmacies, and changes to the 2019 plan information. Members can login and check it out.

Energy Transfer Partners continues to make contributions to our organization, and we very much appreciate their support. Their subsidy helps keep our costs down. We thank them for their generosity.

We continue to make donations to local food cupboards and this time of year we encourage you to be generous in giving. Your donations go entirely and directly to the food cupboards, and also during this time of year we also donate to the Ronald McDonald House, and to the Children's Hospital of the University of Pennsylvania (CHOP).

The Holiday is a time for family, and we encourage you to bring your spouse, significant other, and friends from your Sunoco days to the luncheon to share in our spirit of comradery. I wish each of you the very best for the holidays, and most of all I wish all of us peace on earth and joy to men (and women) of good will.

This is the last year for me as President of DVSA, and at our meeting we will confirm the board selection of Fred Schmauk as our president for 2019. Congratulations to Fred, and good luck !!
