## **President's Message**

Hello fellow Sunoco Alumni! It has been a summer of some heat, some rain, and overall some pretty good weather for those who love gardens. Our next luncheon is coming up on Tuesday September 26<sup>th</sup> 2017 at our usual meeting place. We plan to have the Aetna team present at the luncheon. They will talk about the changes for 2018 in our medical plan. It should be worth hearing, and hope you can make it.

Sunoco itself is changing and many of the folks who moved from our downtown office moved to the Newtown Square office complex, are relocating to Texas or ending their service with Sunoco/ETP.

Attendance at our last two meetings has been very good. We also recognize though that after this bit of a wave or retirements in 2017, it will be nearly the end of our traditional retiree source. We strongly encourage each of you to reach out to former associates to invite them to join and to be part of our events. So if you know anyone who recently retired, please reach out to them and bring them to the luncheon. We need to get the word out, before we lose track of our comrades.

*(President's Message – cont. from page 1)*

As we mentioned in a prior newsletter, we are once again getting support from Sunoco to the DVSA organization. It is helping us keep our costs down, which we have reduced significantly over the past 5 years. We have automated more, and use volunteers to handle the tasks that we once had to pay for. Your help in getting the newsletter via email, and using the online system more has been a big help in cost reduction.

The luncheons are partially subsidized and represent a nice event at a reasonable price. We hope you can take advantage of this. We also want to invite you to bring a friend to the luncheons. If you could just invite one former work associate each time, it is the best way for us to stay vital and give you a reason to stay connected with your network of good folks.

We also continue our support of food cupboards around the Delaware Valley and we do encourage you to nominate a food cupboard for a donation. Of course we also encourage you to contribute to the food cupboard program each time you register for the luncheons, if you can.

Thank you.

Ken Fulmer

## Changes to Benefits Support

We have received reminder information from the folks in Benefits Administration that there will no longer be local support for retirees. All questions should be directed to the ETP voice response system, or be handled via email. Benefit questions from retirees regarding medical issues should be directed only to Aetna. If something is escalated beyond Aetna's capabilities, the team at ETP in Houston would address, and have Aetna respond with the resolution.

If there is a retiree with a pension payroll question, address change, or to report a death, the retiree/beneficiary, **Sunoco's Helpline** can assist you with a change of address, the death of a **retiree**, and the addition/removal of a spouse. **Sunoco** can also assist with questions regarding eligibility for the **retiree** medical plan. The new benefits contact numbers at ETP is 713-989-2161

## Superior Oil Deal

If you heat your home with heating oil, there is good news for you, if you are a member of the DVSA in good standing. Superior has extended a deal for our members to enjoy a discount program of an additional \$0.15 per gallon off your next season heating oil. Details about the program are on our web site at [www.DVSA.co](http://www.DVSA.co)

## Bring a Friend

Given we are trying to reach out to those who may have a near term end date with Sunoco, or those who have recently left, but are still in the Delaware Valley, we really do want you to bring them along to the Fall luncheon. If they decide to join while at the meeting or by Oct 1, we will give them credit for the luncheon fee, towards their first year of membership in the DVSA. Besides that, we would just like to see them again!!
