## *President's Message*

It has been an amazing year. As we begin to reflect about our nation's new president and leadership, we can get caught up in all the buzz. As we approach the holidays, it is a time to reflect more about what is our personal lives. It is about faith, family, friends, and a time to celebrate what we all have, and to support those who do not have as much, or are hurting. It is always in this spirit that we come together as comrades of a prior employer, and rekindle our friendship and look at our joy and our challenges, and to remember what we had, and what is now. We celebrate together at our social luncheon and we join together to support our long term gift recipients in the food cupboard program, in the Ronald McDonald House, and Children's Hospital. We welcome all to join us, and share with us your valued friendship and support.

Hopefully, you have all read the announcement from the Board of Directors concerning Food Cupboard Nominations. A couple of items need repeating. We would like to focus on the small local community programs and we need your help in identifying these organizations. We have also increased the amount of each contribution to \$750 per organization. This could not be done without your continued support and caring.

### **Presidents Message (cont from p.1)**

We would like to thank Aetna for sending out representatives to our September luncheon. There are several significant changes in the offerings, so it is very important to read the mailing from them. There were a few items that caught my attention, one about coverage while we travel outside the US. I encourage you to ask about that if you have travel plans outside the US. Also there is a change in how pharmacies are handled, and you should also look over that information, as pharmacies will now have different rates on prescriptions, and each person should make sure they have the best choice for them and their prescription drug needs.

Also please note that the phone numbers, and contact information for retiree support have changed, as all of the support has moved to Texas, and is no longer done out of the Pennsylvania locations. See our website [www.DVSA.co](http://www.DVSA.co) for the new contact information and be sure to read the frequently asked questions sections, which has been updated.

For the second year in a row, we are able to offer our luncheon at a reduced price. This is due to some support we are getting from Sunoco Logistics. Thank you so much to our friends at Sunoco. Sunoco Logistics will also be providing a guest speaker for our luncheon, and with all the ETP combination talks, it should prove interesting. We hope the low cost, and a great speaker will motivate you to come out and spend time with us. We also want to ask you to reach out to your friends who normally don't attend? You cannot beat a Springfield CC full lunch for only \$10.

In closing, I would like to be the first to wish all of you a Happy Holiday Season and a Great and Healthy New Year.  
...Ken Fulmer, DVSA President 2016

## Holiday Support to our Fundraising –

During the December events, we ask for donations not only to the food cupboard but to other organizations that need our support

Giving to those in need has always been a part of the former Sunoco culture, and it is part of our organization's mission at DVSA.

Please consider giving, even if you are not attending the luncheon, use the luncheon form, and mail in your donation.

**Children's Hospital** or CHOP as it is known locally is one of the top children's hospitals in the country.

**Ronald McDonald House** – The Philadelphia Ronald McDonald House has been in operation for 37 years, helping families by providing a place for the family to stay, while their children are cared for in local hospitals.

**Food Cupboard** – We asked members to nominate candidates for our food cupboard program, and we got a great response. During the holiday season, we ask you to be generous in sharing what you can with our special annual donations, and also to continue to support our work to donate to local food cupboards. Please consider a significant gift this year, and know that all the proceeds go directly to the groups that serve our community. Thanks again for your generosity.
